TEACHER DIRECTIONS

Hi Teacher! Thank you for downloading these DOL quizzes for your students! These quizzes directly supplement my Daily Oral Language Booklets, found here:

<https://www.teacherspayteachers.com/Store/Amanda-Garcia/Search:DATLY+ORAL+LANGUAGE>

On the following page, you will find the most important page of this packet (other than the quizzes themselves!) All on one page are:

- instructions on WHEN to administer each quiz
- the Common Core standards addressed on each quiz
- AND the answer key for each quiz WITH the number of points possible

These quizzes will give you valuable information about how your students are responding to their Daily Oral Language assignments. Each quiz is created based on the skills practiced that week, and will include some spiraling of skills. Nothing new will be on a quiz. Give students a couple of weeks of a grace period when it comes to DOL scores. Your students WILL benefit from the quick, repetitive daily practice, but it does take time to learn and absorb the many rules in the English language!

Please feel free to email me with any questions or comments!
